

Sponsorship Terms & Conditions - 2020/2021 Seasons

1. Hello

Thank you for your interest in AKG Motorsport, manufacturer of high quality performance parts for BMW. AKG Motorsport offers sponsorship opportunities in the form of parts discounts (and pertinent product support) to select drivers and/or teams competing in a variety of forms of motorsport and racing series. We have developed this program to clearly state the requirements, policies and benefits of an AKG sponsorship, but most importantly to help drivers such as yourself be as successful as possible in their racing venture.

2. General

Any sponsorship offered is subject to the "Sponsorship Requirements & Policies" as stated, and any other policies and requirements referred to within this document, and/or any document received upon approval of this sponsorship application. Modifications to these requirements or policies may only be done with the explicit written approval of AKG Motorsport. Submitting this application does not guarantee that you will be offered sponsorship.

3. Sponsorship Qualifications

All forms must be completed in their entirety. Only those applications that are filled out, signed and complete will be reviewed. Please remember to keep a copy of all paperwork for your records. The following qualifications must be met to be eligible for sponsorship:

- Must be competing in at least one racing series in 2020 & 2021.
- Must currently hold all appropriate competition licensing and be eligible to compete in that series.
- Must be competing in at least 8 races (combined) during the 2020 & 2021 calendar years.
- Must currently be in good standing with the organization, series, and/or sanctioning body.
- Must not currently be on probation and not have been on probation at any point during the 2019 season.
- We may ask you to provide us a copy of the following: current annual tech inspection, racing license, etc.

4. Sponsorship Schedules

Sponsorship levels are based upon several criteria including, but not limited to the racing series in which you are competing, the number of cars entered, prior season results and publicity opportunities. All sponsorships are reviewed on an annual basis.

5. Termination & Modification of Contract

AKG Motorsport may modify these terms and conditions at any time with or without notice. AKG Motorsport may, at its sole discretion, terminate any contract and/or relationship, verbal or written, with any driver/team at any time and for any reason.

I have read, understand and agree to the AKG Motorsport Sponsorship Terms & Conditions.
